

MATHS

Shape
Position and Direction
Revision
Budgeting and banking
Problem Solving

ENGLISH

In English, we will start the term off by writing dialogue to help move forward the action using the animation 'Broken: Rock, Paper, Scissors'. To link with our science work on the circulatory system, we will then write about the journey blood takes around the body. We are then going to use the text 'The Final Year' for various writing experiences to reflect on our time at primary school before transition to secondary.

HISTORY

Why do people migrate to the United Kingdom?

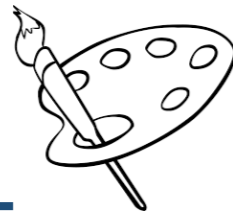

SCIENCE

The Circulatory System

ART/DT

Textiles: Making a blood bag teddy, focusing on the artist Leigh Bowser

PHYSICAL EDUCATION

Swimming
Tennis
Athletics

COMPUTING

Coding

Year 6 - Summer Term

Moving On

EXPERIENCE/TRIPS

National Holocaust Museum: Tues 14th April
SATs Week: 11th-14th May
Transition visit: 1st and 2nd July (Valley and Portland)
End of Year trip: 14th July Gulliver's Valley
