

Many thanks to those parents, carers and children for donating cakes for the bake sale. So many talented bakers out there – thank you!

Another busy week here with World Book Day being such a brilliant experience, with children and adults embracing reading and loving where it can take you.

Enjoy the journal this week and have a great weekend.

## Lunch Menus Update

You are now able to choose the toppings for Jacket Potatoes and the sandwich fillings for the Grab Bags, when selecting meals on Arbor.

The catering team welcome parent and carer feedback and suggestions for the new menu cycle that comes out soon. Please text in or speak to the Admin Team – Thank you.

You can find the lunch menus for this term on our website via this link:  
[School Lunches | St Johns C of E Primary School](#)

## Hygiene at School

To help with hygiene within school, we are ensuring all classrooms have hand sanitiser for children to use, particularly when they return from the toilet, playtime, snack time and lunch times.

We hope you will join us in raising the profile of good hand hygiene and will talk to children at home about washing hands or sanitising regularly, both at home and at school.

## Wraparound Care Price Increase

A reminder of Wraparound Care Fees:

## Uniform Orders

We are currently in the transition period of moving to on-line ordering direct with our uniform supplier, Price & Buckland. We are hopeful that this will be up and running by the Easter holidays. Please bear with us while we make this transition. We will update you as soon as we have a confirmed live date.

We do have a small amount of uniform still for sale at school. Please see Arbor for items available.

Thank you for your continued support.

### Inspectors World Book Day 2026! 📖 ✨

Wow, what an incredible day we've had! I've been so impressed with the detail and thought that went into everyone's costumes — the children looked fantastic!

We've enjoyed exploring our Julia Donaldson themed provision, drawing pictures from her stories and creating some of her characters. We also watched some of her stories and learned lots about her as an author.

To finish our lovely day, we even got to enjoy the sunshine and share some stories outside together. What a wonderful way to celebrate our love of reading! 🌞 📖

Thank you so much to parents and carers for supporting the children with their amazing costumes — we really appreciate the effort that went into making the day so special! 😊

### Enquirers

To start off our KS1 Craft Club this half term, we made bookmarks to continue our World Book Day celebrations!

The children used a variety of collage materials, along with pencil crayons and felt tips, to design and decorate their own unique bookmarks. They then finished them off by adding a ribbon to complete their creations.

It was lovely to see their creativity and imagination while making something they can use to encourage their love for reading.

Congratulations to our Kitchen Staff  
on receiving a 5 Star Hygiene Rating

Nottinghamshire  
County Council

### Nottinghamshire Holiday Activities and Food

**What is the Holiday Activities and Food programme?**

The Holiday Activities and Food (HAF) programme is funded by the Department for Education. The programme aims to support the wellbeing of children aged between 5 and 16 years, focusing on physical and mental wellbeing by providing a variety of activities during school holidays.

Local activity providers run face-to-face sessions that are fully funded for children and young people receiving benefits-related free school meals. Included in each session is a meal.

**The aims of the programme are:**

- to support children to eat healthily
- to support children to active during school holidays
- to support children in their understanding of health and nutrition
- to support families to be engaged with local support services.

**Who is eligible?**

The HAF programme is open to children and young people aged between 5 and 16 years (age 4 if in reception class full-time) and receiving benefits-related free school meals. This is different from the universal infant free school meals that children receive in reception, year 1 and year 2.

If you think you are eligible for free school meals but you have not applied, you can **apply for free school meals online**:  
[www.nottinghamshire.gov.uk/freeschoolmeals](http://www.nottinghamshire.gov.uk/freeschoolmeals)

We can fund a small number of those who are not eligible for benefits-related free school meals. These places should be discussed on a one-to-one basis with a member of the HAF team. To be eligible for a discretionary place, families will need a professional referral from a support worker, social care or school team.

**A guide for schools, parents and carers**

### Nottinghamshire Holiday Activities and Food

**Activities and venues**

There are plenty of fantastic activities happening across the county as part of the Holiday Activities and Food programme. Programmes run in the spring (Easter), summer, autumn (October) and winter school holidays.

Children and young people can access the following:

- 4 days of face-to-face activity in spring (Easter)
- 12 days of face-to-face activity in summer
- 4 days of face-to-face activity in autumn (October half term)
- 4 days of face-to-face activity in winter

**SEND activities**

It is extremely important that providers understand if the child you are booking activities for has any additional needs. Providers aim to offer a quality programme, inclusive for all. It is therefore essential that they are aware of special educational needs and disabilities (SEND) and any reasonable adjustments can be considered.

If a child attends a holiday club without full disclosure of support needs, the holiday club may not be able to offer the full support required, and this could result in the place being withdrawn.

**A guide for schools, parents and carers**

### Nottinghamshire Holiday Activities and Food

All holiday clubs can be booked through Eeq – our chosen booking system. The below steps show how to book a place.

Visit the HAF Notts website:

### Nottinghamshire Holiday Activities and Food

#### Frequently asked questions:

#### What's the difference between universal and benefits-related free school meals?

Universal infant free school meals (UIFSM) provides funding for all government funded schools to offer free school meals to pupils in reception, year 1, and year 2. If families are in receipt of benefits, they should still apply for 'benefits-related' free school meals for their children, if they believe they are eligible.

Free school meals are currently available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- **Universal Credit** (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- **Income Support**
- **Income-based Jobseeker's Allowance**
- **Income-related Employment and Support Allowance**
- **Support under Part VI of the Immigration and Asylum Act 1999**
- **The guaranteed element of Pension Credit**

#### Is pupil premium the same as free school meals?

Pupil premium and free school meals are not the same, but they are related. Pupil premium is extra funding for every child who's eligible for free school meals throughout their time at school. The funding goes directly to the school and pays for things like school trips, breakfast clubs, or additional teachers and assistants to provide extra support and one-to-one tutoring.

Once a child is in receipt of benefits-related free school meals, their school will receive additional funding (pupil premium) to help and support them through their education.

A guide for schools, parents and carers

### Nottinghamshire Holiday Activities and Food

#### What if my child has specific needs?

If your child requires assistance for the activity, please contact the provider to discuss further – you may be welcome to attend with your child or the activity provider may offer extra support for your child. We also have specific Special Educational Needs and Disabilities (SEND) provision, please discuss with the provider of the activity on booking.

#### Is food provided?

Yes. As part of every Nottinghamshire Holiday Activities and Food programme, refreshments and a meal will be provided free to each child and young person attending.

Please mention any dietary requirements your child has when booking. We will endeavour to meet all dietary needs.

#### Is transport provided?

Unfortunately, we cannot offer transport to each person wanting to take part in an activity. Where residents live in a rural locality, we will aim to support travel, but this will be considered on a one-to-one basis and by application. Please contact us via [haf@nottscc.gov.uk](mailto:haf@nottscc.gov.uk).

#### How do I know my child is safe?

All our providers are DBS checked and Ofsted registered where required (under 8 provision). There are several checks that providers must pass to be a deliverer of the programme, to ensure your child is in the safest of hands.

At the time of booking you must also supply a password for collection of your child. We also ask for an emergency contact number where an appropriate adult can be reached. Please ensure that this number is current and active whilst your child is at their chosen activity.

#### Handle With Care

We would like to provide all families with additional support during those times when things may be difficult at home. We understand it is not always easy to share details with school, especially at the classroom door and that's okay.

If your child is coming to school after a difficult night, morning or weekend; please message the school office with your child's name, class and "Handle With Care" and these will be passed staff members.

Nothing else will be said or asked but this will let us know that your child may need extra time, patience or help during the day.

## Safeguarding for parents

### What is safeguarding?

Safeguarding ensures that every child, regardless of their age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation, has a right to equal protection from harm. It's the steps that people take to protect children and vulnerable people from harm.

### Examples of safeguarding concerns to look out for:

#### Physical

A group of children pushing or hitting a smaller child when an adult isn't looking.

#### Emotional

A crying child running towards their parent who responds in a harsh manner using inappropriate language.

#### Sexual

A teenage girl walking home being catcalled and harassed, or being touched without consent.

#### Neglect

A child wearing the same dirty clothes every day and stealing food from other children.

### How can you help?

If you ever see anything happen to a child that makes you feel uncomfortable, please let your safeguarding lead / person know. You're not causing problems - you could save a child from unnecessary harm.

Any one of these things might not mean anything, but if your safeguarding lead / person isn't told, they can't help.
