

It has been a lovely week seeing children immerse themselves in learning and playing. There is so much to talk about over the long weekend so please find out from your children what have been their favourite bits. We hope you enjoy this week's journal and we hope that you all have a great Bank Holiday Weekend!

## Community Food Hub

Our Community Shop Food To Go surprise bags are on sale on Tuesdays from 2.30pm.

A reminder will be sent out to let you know they are available.

Each bag costs £5 and can be purchased with cash (preferred) or card payment.

Please bring a large carrier bag if you can.

Please be aware that we have no control over the quality and quantity of items provided each week. With this in mind please note that prices may vary each week to reflect this.

## Lunch Menus Update

You are now able to choose the toppings for Jacket Potatoes and the sandwich fillings for the Grab Bags, when selecting meals on Arbor.

The catering team welcome parent and carer feedback and suggestions for the new menu cycle that comes out soon. Please text in or speak to the Admin Team – Thank you.

You can find the lunch menus for this term on our website via this link:  
[School Lunches | St Johns C of E Primary School](#)

## Hygiene at School

To help with hygiene within school, we are ensuring all classrooms have hand sanitiser for children to use, particularly when they return from the toilet, playtime, snack time and lunch times.

We hope you will join us in raising the profile of good hand hygiene and will talk to children at home about washing hands or sanitising regularly, both at home and at school.

## Wraparound Care Price Increase

A reminder of Wraparound Care Fees:

Breakfast Session per day	£4.00
After school Session per day	£8.00
Late Collection (per 5 minutes)	£7.00

## Lost Property

All unnamed lost items are now stored in the plastic trunk outside the main office doors. Please feel free to come and look through if you think your child is missing any items. Anything left after each half term will be either donated to charity or disposed of.

## Wraparound Care Reminder

Please can we remind all parents that Wraparound Sessions need to be booked in advance on Arbor. This is to help with staffing ratios. We cannot always guarantee that we will have places for children who are not booked in advance. If you need a session with less than 48 hours' notice, then please call the Academy Office who will be able to book a place for you. If you are booking for the beginning of the week you will need to book your space by Friday evening.

## Uniform Update

You are now able to order uniform directly with our supplier, Price & Buckland.

They offer a free delivery in to school twice a month.

Please click the link below to access their website.

Thank you for your patience during this transition period.

### School Milk Provision

Did you know?

Children currently receive free school milk until their fifth birthday through the Government's school milk scheme. After this point, the entitlement ends. This means that within the same Reception classes some children continue receiving milk while others do not, depending on when their birthday falls - unless parents choose to cover the cost through a subsidised scheme. This creates an unfair system where some children lose access to milk partway through their Reception year. As a result, approximately 480,000 children stop receiving school milk each year, and children from disadvantaged backgrounds are disproportionately affected.

At St John's we are supporting the Fair Milk for a Fair Start campaign, which calls for a simple change so all children can receive free school milk until the end of their Reception year.

### A Guide to the Neurodevelopmental Referral Pathway for Children at St John's C of E Academy.

#### Step 1:

Arrange a time to discuss concerns with your child's class teacher. If necessary, a SENCo (Mrs Aris or Mrs Watson) may be invited to this meeting or to a follow-up meeting if required.

Class teacher and SENCo may suggest:

Making reasonable adjustments within the classroom to support the needs of the child.

A referral to an outside agency such as a Healthy Families Team or the Family Hub for support for the child and family within the home.

Signposting to organisations such as APTCOO or Autism East Midlands for advice and support around neurodiverse conditions; this can be accessed without a diagnosis.

Monitoring and observing the child with a view to completing the GDA (General Developmental Assessment) forms to submit to Bassetlaw Hospital.

#### Step 2:

If it has been agreed that we feel that a GDA referral is appropriate, we will need at least 2 terms of evidence.

This will involve:

Observations of the child by class teacher and SENCo.

At least 2 cycles of our 'Plan, Do, Review' process.

This is carried out through targets on an Individual Support Plan which are set and reviewed on a termly basis.

Parents are included in the process and the plan is discussed during Parents' Evening or another suitable time.

Please be aware this stage of the process will take approximately 6 months.

#### Step 3:

The GDA forms will be completed by class teacher and parents/carers.

Support is offered to parents if they find filling in the forms tricky. We aim to include accurate and detailed information as experience has shown that this is needed for the child to be accepted for an initial appointment and further assessments at the hospital.

Forms submitted to Community Paediatric Department at Bassetlaw Hospital.

Forms are triaged at the hospital. At this point, additional information may be requested. Both the SENCo and parents will be informed of the outcome.

If accepted, you will be invited to attend an initial appointment with the child. Please be aware that you can wait anything from 18 - 24 months for an initial appointment.

#### Step 4:

Initial appointment at Bassetlaw Hospital:

Parents and child are invited to an initial appointment. You can ask the SENCo to also attend if you feel it necessary to offer support and to provide information around how the child presents at school.

The initial appointment may lead to assessment with a Community Paediatrician for conditions such as Autism and/or ADHD.

Sometimes a child is referred to SALT (Speech and Language Therapy) for sessions and support around Communication and Interaction Needs.

If the need for an Autism and/or ADHD assessment is not identified, you will be offered advice based on the child's individual needs and signposted to appropriate local and national support organisations.

### Useful Contacts for Advice and Support

### Handle With Care

We would like to provide all families with additional support during those times when things may be difficult at home. We understand it is not always easy to share details with school, especially at the classroom door and that's okay.

If your child is coming to school after a difficult night, morning or weekend; please message the school office with your child's name, class and "Handle With Care" and these will be passed staff members.

Nothing else will be said or asked but this will let us know that your child may need extra time, patience or help during the day.

**At St John's we believe that everyone has the right to feel safe and be who they are. Our school is a place where everyone can feel safe and happy and we will always treat bullying seriously.**

## Safeguarding for parents

### What is safeguarding?

Safeguarding ensures that every child, regardless of their age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation, has a right to equal protection from harm. It's the steps that people take to protect children and vulnerable people from harm.

### Examples of safeguarding concerns to look out for:

#### Physical

A group of children pushing or hitting a smaller child when an adult isn't looking.

#### Emotional

A crying child running towards their parent who responds in a harsh manner using inappropriate language.

#### Sexual

A teenage girl walking home being catcalled and harassed, or being touched without consent.

#### Neglect

A child wearing the same dirty clothes every day and stealing food from other children.

### How can you help?

If you ever see anything happen to a child that makes you feel uncomfortable, please let your safeguarding lead / person know. You're not causing problems - you could save a child from unnecessary harm.

Any one of these things might not mean anything, but if your safeguarding lead / person isn't told, they can't help.
