## Maths

During the Autumn term children will consolidate their learning from FS2 before confidently moving on to more tricky concepts.

The areas of maths we will cover are: Number: Place Value (within 10 and 20). Addition and Subtraction (within 10). Geometry: Shape.

At St John's we follow the White Rose schemes of learning for maths and teach using a mastery approach.

Support children at home by involving them in everyday maths tasks like shopping and cooking, talk about days of the week, months of the year and times of the day you complete certain activities.

1-minute maths app | White Rose Maths.

EVERYONE CAN DO MATHS: EVERYONE CAN!

## English

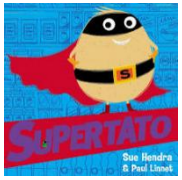

Children will develop their descriptive writing by looking at a number of different narrative texts including 'Supertato'. We will be focusing on sentence structures and our speaking and listening skills.

Daily phonics teaching and reading sessions will enable children to read and spell confidently. Handwriting sessions will take place three times a week, enabling children to write legibly

Year 1
Autumn Term
Aut 1 - What matters most to me?
Aut 2 - Why does the weather change?

Read with your child at least three times a week and record this in their reading records. Reading books will be changed by class teachers on a Monday. Children will take home a fully decodable reading book until their phonics knowledge is secure, this is to support your child in applying their increasing phonics

NEVER STOP READING

## Religious Education

Guided by the school's Christian Values, children will have time to reflect during daily Collective Worship.

During weekly lessons children will learn:
Creation – Who made the world?

Incarnation – Why does Christmas matter to Christians?

ST JOHN'S CHURCH OF ENGLAND ACADEMY

DIOCESE OF SOUTHWELL & NOTTINGHAM
MULTI ACADEMY TRUST

## Wider Curriculum

Through the wider curriculum we will introduce children to a wide range of subjects, enriching their knowledge of the word in which they live. Subjects will be taught through a combination of formal teaching and continuous provision where children will be able to enhance their knowledge independently by accessing carefully chosen resources and challenges.

These subjects include:

Geography

- Where do I live? – map and observational skills.
- Weather – seasonal and daily weather patterns.

Science

- Labelling body parts and exploring our senses
- Weather changes.

PSHE

- Relationships and families.
- Real heroes – Jobs.

Music

- Singing.
- Rhythm, beat and dynamics.

Design and Technology

- Structures and houses.

Art and Design

- Painting: Primary colours, mixing and secondary colours.
- Sketching: Patterns and mark making.

History

- Local heroes.
- Mr Straw's house and how homes have changed.

Computing

- Online safety.
- Grouping and sorting.

Physical Education

- Ball Skills.
- Gymnastics.
