

13th October 2025

Dear Parents and Carers,

We are delighted to announce that from **1st November 2025**, our school catering service will be brought **in-house**, ending our contract with Aspens. This exciting change allows us to tailor our meal provision more closely to the needs of our pupils and community.

Our new catering team will be led by **Julie, our Catering Manager**, who will be supported by **Tammy, Laura, and Callum**. They are all passionate about creating the best possible dining experiences for our children. Together, they will oversee the planning and provision of high-quality, varied, and nutritious meals that meet government nutrition standards and cater for all dietary requirements, including allergies.

We are committed to:

- Offering exciting and inclusive menus that cater to all taste buds while ensuring the safety of pupils with allergens.
- Maintaining the highest standards of hygiene, safety, and food quality.
- Providing clear communication about allergen information and special dietary needs.

More details will be shared soon, including the new menu cycles and how to order meals.

Additionally, we are pleased to invite you to sample some of the new menu items at the upcoming parents' evenings after half term. This will be a wonderful opportunity to experience the fresh offerings and provide your feedback.

We appreciate your continued support as we make this positive step to enhance the lunchtime experience for all our pupils.

Yours sincerely,

Gez Rizzo
Principal
