Dear Parents/Carers of Year 4

On Monday 23rd June, we are planning to take Year 4 to the science museum, Magna, to support our learning in science about the water cycle and the use of water in our lives as well as about the earth, wind and fire. During the visit we will take a tour with lots of hands-on experiences across the museum, a workshop and time outside on the science park.

Children will need to wear full uniform with a warm coat or jacket for inside the museum as it is cave-like inside. However, for the outdoor part of the visit, children will need to wear suncream, bring a sun hat, wear sensible walking shoes or trainers.

Children will need to be at school for the usual start time, and they will be returning for normal pick up at 3pm.

The entrance, activities and coach costs are £16 per child. A payment has been set up on School Money and the link will be sent to you.

If any child suffers from travel sickness, please make sure they take a tablet before the journey and, if medicine is required for the return journey, please inform the office prior to the trip, so that a medication form can be filled in.

Children will need a packed lunch and drink (no glass bottles or fizzy pop please).

NB: Due to severe allergies no egg or nuts please.

If you would like to order a school packed lunch, please do so through Swift Kitchen on the app or via a web browser. Children entitled to Free School Meals also need to order in this way.

We're looking forward to a great trip.

Year 4 Team
