Dear Parents/Carers

### Academy Uniform Expectations

As we move into the Summer Term, we want to ensure parents, and pupils understand and adhere to our school's Uniform Policy. Pupils are required to wear only the items specified in the policy and will be reminded of this by staff.

To assist you in ensuring your child meets these expectations, we have created a Uniform Visual Guide, available on our website here: <https://tinyurl.com/36f7xzv5>

If parents/carers are not certain of whether an item of uniform or accessory will be acceptable under the terms of our policy, they should check with the Academy Office or Principal prior to purchasing or their child wearing it to school.

Yours faithfully,

**Gez Rizzo**  
Principal
