

March 2025

Dear Parents/Carers

On Thursday 27th March 2025, we are holding a very exciting event: Times Tables Rock Stars Rock Day (TTRS Rock Day). This is a day to celebrate maths and times tables, and we invite everyone to come to school dressed as a rock star!

On the day, the whole school will take part in different maths activities in class and every year group will be timetabled a slot in the hall to go and rock out to some maths inspired songs at a disco.

For Nursery, FS2 and Year 1

Children will be in competition to be the top mathematician of the day. These will be chosen by their teachers, and the winners will receive a Rizzo Reward.

For children in Year 2 – Year 6

Starting on Monday 24th March and running until 9pm on Wednesday 26th March, there will be a competition running on TTRS to see how many pupils can score the most correct answers during this time.

To take part, the children just log in and play as normal at home and school, I will then check the leader board at 9pm on Wednesday 26th March to select the top four leaders from each year group.

Those children placed in 3rd and 4th for each year group will receive a scratch and reveal prize. Children who are placed 1st and 2nd will receive a Rizzo Reward and also take part in the knockout competition on Thursday 27th March to find the overall Times Table Rock Star. The Times Table Rock Star will receive a TTRS Trophy and free passes to Jump Inc.

We hope you agree that this is going to be a very exciting day, and we really look forward to seeing your costumes!

Yours faithfully,

Mrs Ross
Maths Co-ordinator
