

6th February 2025

Dear Parents and Carers

As you will be aware, the academy has been holding a stock of school uniform on site since we introduced the new uniform a couple of years ago. This was done to facilitate the easy purchase of most items that children would require, particularly at short notice.

Unfortunately, like most other academies, the financial landscape is not a very colourful one, which results in having to make many cuts and changes to our practices. One area of change will be how parents and carers are able to purchase school uniform.

From September 2025, we will no longer be holding all items of uniform for sale in school. Please see current available items on the SchoolMoney shop should you require anything whilst the changeover takes place. Please bear in mind that once our stocks have depleted, we will not be placing any new orders so please plan ahead.

From September 2025, parents and carers will be able to purchase items directly from our school uniform supplier, Price and Buckland via their on-line platform. We appreciate that this ordering process may cause some inconveniences in the short term which we will aim to minimise as much as possible. Price and Buckland have advised us that they will offer a free "in-to-school" delivery service twice a month to help you save on delivery costs. The academy will continue to sell "pre-loved" items via the SchoolMoney shop.

Further details will be shared with you as we put this new system in place.

Thank you for your continued support.

Yours faithfully

Gez Rizzo
Principal
