Dear Sir / Madam,

**RAYMOTH LANE, WORKSOP – BUS STOP IMPROVEMENTS - NOTIFICATION OF WORKS**

As part of the National Bus Strategy and Nottinghamshire County Council's Local Transport Plan, the County Council is committed to developing strategies for achieving more sustainable and integrated transport throughout Nottinghamshire. This initiative, delivered by Via East Midlands, will improve access to the local bus service, increase travel choices for the local community, and enhance the overall experience of traveling by bus.

This letter is to inform you that Via East Midlands working on behalf of the County Council will install two bus stop clearways (**No Stopping 7am – 7pm Except Buses**) and these will be clearly identified with new road markings and signage. Works also include a new section of double yellow lines (**No Waiting, At Any Time**) shown in the enclosed drawing highlighting the location and plans of the works. The improvements are scheduled to begin on the **28<sup>th</sup> January 2025** between the hours of 9:00 – 15:30 and will last approximately 1 day, weather permitting.

To ensure effective traffic management and to maintain safety during the works, a 4-way temporary traffic signal system will be installed at the junction of Raymoth Lane and Carlton Road. This system will help regulate traffic flow and allow the works to proceed efficiently and safely.

We apologise in advance for any inconvenience this may cause, however we would also like to ask for your patience and co-operation whilst the works are in progress, and we would like to assure you that every effort will be made to keep the disruption to a minimum, if you have any special circumstances we should need to know about such as disabled access, health visits, deliveries/collections, please do not hesitate to call the relevant person responsible for each phase of the works or contact via post / e-mail.

On behalf of Via East Midlands and Nottinghamshire County Council I would like to thank you for your assistance and co-operation.

Yours faithfully,

**Via East Midlands Improvements Team**
