

Christmas Fayre

Cashless Tokens

For all St John's Academy stalls at our Christmas Market, we are giving parents/carers/pupils the option to make cashless transactions, by buying tokens in advance on SchoolMoney. You will then be able to use the tokens to purchase items on St John's C of E Academy stalls only.

There are some offers on token purchases, so please log in to SchoolMoney to have a look.

The deadline will be 9am on Thursday 5th December, and the tokens will be handed out in class to pupils to use at the Fayre.

We will still be accepting cash payments at the event. Please note that external stall holders, will not be able to accept tokens.

We hope to see you there!
