Dear Parents and Carers,

As pupils enter KS2, some gain access to a programme called Reading Plus. This is a personalised online programme which can be used both at home and within school to help our pupils develop skills they need to become confident, capable and lifelong readers. To gain access to the website, you will need the URL and school site code below, along with your child's individual log-in details, which are written in your child's reading diary. However, please do speak to your child's teacher if you need these confirming.

### How can you help?

As a school, we have ensured that all pupils have three 30 minute slots each week to complete the personalised assignments set on the programme, and we ask that you review the Student Dashboard with your child at least twice per week at home, to ensure that all assigned lessons are completed. As well as this, as highlighted in the home-school agreement, all pupils in KS2 are expected to read five times at home each week. To support this, two reads out of the five are allowed to be from Reading Plus, the remaining reads from their chosen colour banded book.

Click the *Lessons* tab to access the Lessons page of the Student Dashboard.

Blank checkboxes represent **assigned** lessons and colored checkboxes represent **completed** lessons.

Colored checkboxes for Reading show the comprehension score earned on each completed Reading lesson.

### What to Look for:

- ✓ **Ensure that Reading lessons are completed first.** Reading lessons supply almost all Reading Plus data and are the **highest** priority.
- ✓ **Celebrate success!** For example, congratulate your child on every Reading lesson completed with 80% or higher comprehension.
- ✓ **Look for Combos.** Your child will earn a Combo when he or she completes two Reading lessons in a row at 80% or higher comprehension. Combos will help your child to move up a Reading level, so celebrate them!
- ✓ **Remind students about ReReads.** When answering questions in Reading lessons, students can look back at what they read to ReRead it. This helps them pick the right answer. Check to make sure your child is using ReReads.
- ✓ **Ensure assignments are done by the end of the weekend.** For most schools, assignments reset every Sunday night at midnight.

Yours faithfully,

Mrs Simm.
